TRUSTPILOT RATING

★★★★★

"The mentorship changed how I approach interviews. I could finally explain my projects like an engineer, not a student."

Kanishak

Trustpilot review · Data Engineering

★★★★★

"Weekly sessions kept me accountable. The mock interviews were harder than the real ones, which is exactly what I needed."

Vishesh

Trustpilot review · Cohort learner

★★★★★

"Building two full systems end to end gave me something real to talk about. My mentor reviewed every architecture decision."

Palash

Trustpilot review · Data Engineering

★★★★★

"The mentorship and coaching I received were truly transformative. With their expert guidance, I was able to land the perfect role at KPMG UK."
